BRAD JONES RACING

February 12th 2013

To whom it may concern,

On behalf of Brad Jones Racing, I would like to express our team's support for the film "King of the Mountain".

The movie recalls the story of the great Peter Brock and the 1987 James Hardie 1000 at Bathurst's Mt Panorama circuit. History will show that Brock scored his 9th Bathurst victory against some of the world's great drivers etching his name as an Aussie motorsport legend.

We wish JPL Productions all the best with the feature film project and offer support from within the V8 Supercar team's community.

Brad Jones Racing Team Owner.
