To Whom It May Concern,

On behalf of myself and V8 Supercars Australia, I write to express my support for the feature film project 'King of the Mountain'.

The film tells the story of the legendary Australian racing driver Peter Brock and the events leading up to and including the 1987 James Hardie 1000 at Mt. Panorama. In one of the most talked about motor races in Australian history, Brock grasped his 9th Bathurst victory against the world's best drivers, in the race that is of course a foundation stone to the great V8 Supercars competition we have today.

V8 Supercars Australia supports this movie coming to life and we wish JPL Productions all the best with the project.

Any assistance you may be able to give the producers at this stage is warmly appreciated.

Warmest regards,

Tony Cochrane
Chairman
